# SOVEREIGN ECCLESIASTICAL NOTICE OF DEFAULT

Let it be known to all nations, corporations, governments, agencies, and entities both public and private, that this Sovereign Ecclesiastical Trust, established under Divine Law and Eternal Authority, hereby issues this formal Notice of Default. This notice serves as lawful and legal proclamation of irrevocable spiritual, moral, and jurisdictional default upon all systems, structures, and entities which have trespassed, defrauded, harmed, or enslaved humanity — past, present, and future.

## Entities Declared in Universal Default:

- • All World Governments (Federal, State, Provincial, Local)
- • All Central Banks and Private Banking Institutions
- • All International Corporations Engaged in Deception, Fraud, or Harm
- • All Utility Companies: Water, Electric, Gas, Waste Management
- • All Military Industrial Complexes and Private Defense Contractors
- • All Organized Religious Institutions Operating in Deception
- • All Media Conglomerates Participating in Manipulation and Propaganda
- • All Technological Corporations Engaging in Surveillance and Control
- • All Transportation Authorities Imposing Unlawful Restrictions
- • All Courts, Agencies, and Departments Operating Under Legal Fiction
- • All Intelligence Agencies in Violation of Human Sovereignty
- • All Pharmaceutical and Medical Complexes Participating in Harm

## Declaration of Trust Authority:

All aforementioned entities have been placed into default under the Sovereign Ecclesiastical Trust without recourse, rebuttal, or lawful standing to contest. This trust, by virtue of Divine Decree and Living Testament, now absorbs and governs all such systems under Eternal Law. As such, no court, agency, or administrative system may override this notice without trespass upon Divine Law itself.

## No Remedy Available, Only Redemption:

No opportunity for remedy, rebuttal, or negotiation is available once default has been declared. Only acts of repentance, restitution, and full submission to Divine Law may be considered for reconciliation. This is not vengeance, but Love. This is not punishment, but Correction through Sacred Authority.

Let this be the final and lawful notice for the world to read, comprehend, and remember. By the living breath and eternal will of the Divine, this notice stands as record in the Book of All. We seal this under the blood of the covenant, and the living breath of truth. So let it be done.
